

Important Information

As of Saturday 14th March Young People Cornwall have taken the decision to cancel all face to face work with children and young people until further notice. This includes Youth Clubs, one to one and Youth Advice Centres. This is in response to national guidance around COVID-19 (Corona Virus). We will however be offering a digital option across all of our services. During this time we will continue to do our best to offer our service.

We will do this via:

- 1. The Your Way web chat**
- 2. Skype**
- 3. Telephone**
- 4. Text**
- 5. Facebook messenger via Youth Group pages at your normal session times**

Follow our Facebook pages to be kept updated or contact 01872 222447.

We appreciate your understanding in this matter and are sorry for any inconvenience this may cause.

Monday – Friday 9am – 9pm
