Bolster Hardship Fund

Many Parish businesses, their staff and members of the community have been financially impacted during the COVID-19 pandemic by the lockdown, travel restrictions and the ability to work.

With so many members of our community affected by the impact of COVID-19, we have decided to set up the Bolster Hardship Fund to support them.

Any amount of money, big or small, will support those in the community that need help covering the costs of their basic needs. We are aiming for the fund to help the community over the coming months, even once lockdown has eased.

To donate you can find us on GoFundMe -
www.gofundme.com/f/st-agnes-parish-bolster-hardship-fund

For more information on the fund, to donate directly or via Paypal, go to our website www.visitstagnes.com

St Agnes Chamber of Commerce initiative, with support from the County Council, Parish Council and St Agnes Parish Church.
