Information for members of the public:

Due to the restrictions placed on the Parish Council as a result of the pandemic Coronavirus, comments given regarding planning applications will represent the opinions of members of St Agnes Parish Council identified through a consultation process, but will not constitute a formal consultee response to Cornwall Council because the outcome will not be reached at a physical meeting at which the public could be present and where Councillors can legally vote.

Members of the public can submit comments on live planning applications via Cornwall Council's online planning portal as normal.
